Invention:	Determining the Pressure of Formation Fluid in Earth Formation surrounding a Borehole		

Tel.: 571-272-2205

**EXAMINER INTERVIEW RECORD  
(Restriction Requirement)**

9/08/2004

Agent's Record

Agent: John Lee

I asked: Why such a severe restriction?

Examiner answered: "This is not severe. It is normal procedure, as taught in Examiner training classes".

The restriction requirement was discussed in detail.

The long of list of patent numbers in the IDS was noted. The Examiner requested that an electronic copy of the list of patent numbers be provided. I promised to send a copy of the list to the Examiner by email to david.rogers@uspto.gov.
